TAR Planner with Pipefitting Background-Port Arthur

I have a new position in Port Arthur for a Pipefitter looking to get into planning/scheduling or a TAR Planner with 1-3 years of experience and a background in pipefitting. This position will start on a 4/10 schedule, but will progress to 5/10's then 6/10's as the TAR gets closer. The client is ideally looking to pay \$40-45/hr though there may be some flexibility depending on experience.

If you, or someone you know, may be interested, please reach out!

Thanks!
